

Hard to believe but some Businesses here in Alma are open already!

We are expecting another busy summer and you can feel the excitement in the Village air. Everyone is preparing for another season of welcoming tourists and ensuring that they take with them the very best memories that this Village can offer.

To start off a special welcome to the new Acting Superintendent for Fundy Park, Julie Leblanc, we hope that your introduction to Alma is a very positive experience.

Another happy announcement is that Brenda Hoar has accepted the Village Council's offer of permanent Clerk/Treasurer for the Village of Alma. We welcome her to our "team" and are looking forward to a long and beneficial working relationship with her, the Village and Council. So congratulation Brenda!

The date you have all been waiting for: Spring large Garbage collection will be May28th (Monday) so please have your stuff out by the road for pick-up by 8 am that day. Happy spring cleaning. Please share this information.

Last but very important point please think of water conservation - NO car washing in June, July and August or watering of lawns - please respect this request.

Kirstin
